4. How do I view and update my My Aged Care relationships?

You can view and update information about relationships you have with representatives or carers in the client portal.

Agreeing for someone to be your representative in My Aged Care allows them to speak and act for you. A representative can do things for you like:

- give information to My Aged Care, including talking to assessors, the My Aged Care contact centre and service providers
- get information about your progress in My Aged Care
- make decisions about aged care assessment and referrals for aged care services
- see and update your information through the contact centre or on the My Aged Care client record on myGov
- be listed as your primary contact so they are the first contact point for My Aged Care.

There are three ways to put in place a regular representative:

- Call My Aged Care on 1800 200 422 with your chosen representative. My Aged Care can call your representative later if they can’t be with you for this call, or
- Complete the My Aged Care ‘Appointment of a Representative’ form and mail it to My Aged Care, PO Box 210, Balwyn, Victoria, 3103, or fax it to My Aged Care (1800 728 174), or
- If your representative is with you at your aged care assessment, you can ask the assessor to add them as your representative at that time.

⚠️ You must have the person’s agreement before nominating them as a regular representative. Once you have their agreement, you will need to provide some personal information about your representative.

There are several types of relationships that are displayed on this page:

- **Carer** – a person who has an ongoing role in supporting you and your needs (e.g. a family member or friend)

- **Primary contact** – a person (which can be the client) who will be the first point of contact for phone calls.

  - **Regular** – nominated by you by providing consent for the representative to act on your behalf; or
- **Authorised** – appointed under a legal basis to act on your behalf. The legal documents need to be provided to My Aged Care in order to become an authorised representative and shows us that someone can legally make health, personal and lifestyle decisions for you.

**Step One:** Select the ‘Relationships’ icon from the client portal home page.

**Step Two:** This will bring you to the ‘Relationships’ page where you can view the following information:

6.1 For clients with Home Care Package approvals

If you are approved for a Home Care Package you will be able to see some additional information regarding your approval on this page.
If you are in the national priority system awaiting a medium priority Home Care Package, you will receive a letter to notify you of the upcoming assignment of your first package approximately three months prior to the expected assignment date.

This letter is aimed to encourage you to commence the preparation required to take place prior to the Home Care Package assignment and commencement of services.

A copy of this letter will appear on the client record under the ‘Attachments’ tab with the other Home Care Package letter.

In addition, you can choose to opt in or out of the national priority system for Home Care Packages.

You can do this by selecting the edit icon next to ‘Seeking services’ or ‘Not seeking services’. This can be found under the ‘Home care’ section of the page.
Selecting the edit icon will bring up the following pop up:

On this page, you are also able to view previous services that have been completed or ceased and are no longer being delivered.
