What happens after you've registered with My Aged Care?

If you are eligible for an assessment you should hear from an assessment organisation within three weeks. The assessment organisation will arrange a suitable time to come to your home for the assessment.

If you haven't heard anything in this time, call My Aged Care on 1800 200 422. Your Welcome Pack letter included a pop out card with your My Aged Care ID. Please have this handy when you call.

Don't worry if you don't have the card with your My Aged Care ID, My Aged Care will still be able to help you.

What happens at the assessment?

With your consent, a trained assessor will come to your home. They will assess your care needs and eligibility for services.

If you are eligible for subsidised aged care, the assessor will work with you to develop a support plan which addresses your care needs, goals and service preferences.

Someone else can be with you as your support person at this assessment visit. You can also ask the assessor about having an Auslan or in-language interpreter.

You should have:

- ID for you and anyone you want to be a representative and talk on your behalf: Medicare card and one other form of ID - such as DVA card, driver's licence, healthcare card, or passport
- any information you already have about aged care services that you may want to discuss
- information on any support you receive.

What happens after the assessment?

After the assessment you will find out if you are eligible for subsidised aged care services and which type.

Then you need to:

- **choose services:** the 'Find a provider' tool on the website can help you locate and compare services. Your assessor and My Aged Care can also help.
- **find out about costs:** the 'Fee estimator' tool on the website can give you information about costs. You may need a financial assessment.
