

Welcome to **Kanwal Gardens** Care Community

Discover why this could be your best move yet

At Kanwal Gardens Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our home is located on the Central Coast in a tranquil bush setting with all rooms enjoying leafy garden views. We enjoy a peaceful coastal lifestyle surrounded by nature, with all the amenities of the region and the local hospital close at hand. Known for our extensive landscaped gardens and beautiful koi pond, our gazebo overlooking the pond offers space for spending time with loved ones or moments of quiet reflection. We support all kinds of care needs and our memory care neighbourhood provides a safe and inclusive environment for residents living with dementia.

Daily life

Our care community is a warm and loving place for people from all walks of life. Activity often centres around our garden, where residents enjoy potting plants or tending flowers, walking or watching our ducks, chickens and koi. With spacious indoor and outdoor living areas, there are plenty of places to relax, savour our chef's delicious food and engage in hobbies.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
