Discover why this could be your best move yet

At Tingira Hills Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Set in the Lake Macquarie region with sweeping elevated district views, our home provides a welcoming and inviting environment for residents and families, offering residential aged care and assisted living in the one location. Our modern and well-appointed home offers a variety of living spaces to spend time with family and friends, including extensive gardens, breezy terraces and comfortable lounge areas.

Daily life

Our resident green thumbs enjoy tending to the gardens in our many outdoor terraces and courtyards. We have strong community ties, including visitors who bring pets who delight our residents in providing comfort and companionship. Our creative arts and craft groups enjoy making art that we display throughout our home. Our chef is known for cooking up delicious meals that satisfy all kinds of tastes.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
