Relax & be yourself

Home is a place where you can truly relax and be yourself, knowing that you're safe and sound.

Contact with loved ones is vital for your health and wellbeing and we'd like your family and friends to also feel part of our extended family. There's no need to call ahead if they feel like dropping in. Your visitors will always be warmly welcomed and we can make arrangements for them to stay the night if they need to be close to you.

How you spend your time and what you do are all your choice. You can have your hair and nails done, play with the resident chickens and rabbits, or enjoy a good book and a cuppa on your patio or in the courtyard.

We encourage you to continue your social activities, remain part of your community and maintain your friendships and interests. We'll support your involvement in activities such as memberships to clubs, choirs, churches, men's and women's groups, and sporting organisations. We'll also help if you want to try new activities or join social groups within the local community.

The Southern Cross Care difference

Southern Cross Care's name is known and trusted throughout NSW & the ACT where we've been a part of the community for nearly 50 years. As a not-for-profit organisation, we don't have shareholders, big salaries or big overheads, so we can put the money we're given back into providing services for our clients. That means you get better value for money and better services.

We offer a full spectrum of integrated services to provide you with options, choice and support for how you choose to live your life, today and tomorrow. Whether it's discovering a retirement community lifestyle, tapping into help at home, improving your health, exploring ways to boost your independence and social connections, or selecting comfortable, supportive care in one of our Residential Aged Care Homes, you have peace of mind knowing that whatever your needs may be, you have a relationship with a provider that has it covered.

We believe that individuality is one of the greatest gifts of being human. Our 'customer at the heart' philosophy means that your happiness and wellbeing are our priority. We celebrate and respect diversity and welcome all, regardless of faith, ethnicity, sexual orientation, gender identity and lifestyle choices. We recognise you as a whole person and support your physical, emotional, intellectual, social, and spiritual wellbeing. Everything we do is tailored to enhance your quality of life and enable you to live life on your terms.
