Carshalton House

Person Centred Care

The home strives to a high standard of quality individualised care to meet your specialised needs and employs highly skilled qualified staff.

Our qualified staff work in collaboration with your chosen doctor to provide care physically, socially, emotionally and spiritually according to your assessed needs.

A professional team of specialised staff, including personal care workers, physiotherapists, podiatrists, dietitians, speech pathologists, occupational therapists, diabetes management and palliative care are an integral part of the care team and assist in planning your care outcomes.

Lifestyle

Extensive programs cater for the needs and interests of residents.

We aim to make our lifestyle programs enjoyable, mentally stimulating, whilst meeting cultural, spiritual and specialised needs. The home has a bus that helps maintain access to the community for shopping trips and community outings.

Meals

All meals are provided and cooked fresh onsite by our qualified chef who prepares well-balanced, healthy and appetising meals in conjunction with dietitians. Breakfast is self serve in the kitchenettes while lunch and tea is served in the main dining room. Special dietary needs are easily accommodated.

Fees and charges

The Federal Government has changed the way in which some fees and payments are calculated. The new arrangements mean that your income and assets will be taken into account in establishing fees and payments you may be asked to pay.

You may be asked to pay one or more of the following fees in residential care:

- A basic daily fee
- A means-tested care fee
- An accommodation payment
- Fees for extra or additional optional services.
