

MEAL POLICY

Visitors and guests are encouraged to eat with the residents so please contact Resident Services for a reasonably priced guest meal.

Food Safety

St Brigid's Greens has an accredited food safety program to facilitate food safety for residents and guests. If your guests wish to bring food into St Brigid's Green for your consumption, we require you to meet our Food Safety Plan requirements including:

- Food carried in a covered container, labelled with your name, the date the food was prepared.
- Any cold food and drink is to be kept at less than 5 degree centigrade during transportation any hot food and drink is to be kept above 60 degrees centigrade during transportation
- Food brought into St Brigid's Green by relatives or friends cannot be placed in our freezers, refrigerators or cool room and cannot be reheated by staff or shared with other residents. .

Please inform the Hotel Services Manager of your food requirements, including any special events, religious or cultural requirements concerning diet and food preparation.
