Our history

As the aged care division of St Vincent's Health Australia, St Vincent's Care Services shares a history of compassionate care and support through our founders, the Sisters of Charity. Since Mary Aikenhead founded the Sisters of Charity in 1815, their institutions have cared for the sick and poor and welcomed all creeds. It is the legacy entrusted to us by the Sisters of Charity that inspires us to continually strengthen and grow our mission and serve those who entrust us with their care.

Rosary Village was established in 1996 by the Trustees of Catholic Aged Care Sydney through the Parish of Fairfield. Since the facility transitioned to St Vincent's Care Services in 2018, we have been committed to remembering the rich history of the site and continuing a dedicated legacy of care.

Our staff

Our services are founded on a long heritage of caring, and our staff live our values of compassion, justice, integrity and excellence every day. They are dedicated and skilled, and are the reason we can deliver great service and exceptional, research-driven, evidence-based care.

St Vincent's Care Services Yennora is staffed by registered nurses, carers, leisure and lifestyle co-ordinators, catering and hospitality staff, and friendly on-site management, administration, cleaning and maintenance teams.
