

Our friendly lifestyle team offer a range of resident focused activities which include arts and crafts, live entertainment, games and outings.

Smoke free facility

Being part of Colac Area Health, Corangamarah is designated as a smoke free facility. Should you be a smoker we would be happy to assist you with referral to our smoking cessation clinic or by a nicotine replacement therapy. While smoking on the premises is not permitted for safety and health reasons residents will be permitted to smoke OFF SITE if they are accompanied outside by their family.

Like the Colac landmark it was named after - Mount Corangamarah, known affectionately by locals as "The Hill" - Corangamarah provides an essential sense of belonging.

Our suites are fresh, bright and modern, expertly designed with comfort and ease in mind. Each complemented by private outdoor spaces, ideal for soaking up the afternoon sun and spending time with friends and family.

Corangamarah is ideally located within the grounds of Colac Area Health, providing ultimate peace of mind and convenience when it comes to healthcare, be it urgent or ongoing

Corangamarah - where the best of care is an everyday experience

Corangamarah is an accredited 60 bed public sector residential aged care service. We offer a range of permanent and respite accommodation types to suit all prospective residents.

Our Deluxe suites (pictured above) offer a larger size single room with private ensuite. These rooms offer the resident greater flexibility in terms of layout and chosen furnishings.

Our more intimate Heritage rooms also offer single accommodation with private ensuite.

Our Classic rooms offer single accommodation with shared ensuites.

Current room prices may be viewed at www.myagedcare.gov.au.

Colac's best healthcare just steps away

We are conveniently located within Colac's health precinct. This means you have direct access to urgent care should you ever need it, as well as the full suite of medical and allied health services including general practice, podiatry, physiotherapy, speech therapy, occupational therapy, rehabilitation and dental care.

A culture of care and comfort

All care staff are nurses, qualified to attend to your every need. We proudly boast Colac's highest aged care nurse to resident ratio. We strive to provide contemporary aged care practice in a compassionate homely environment.
