Daily life

We're a pet friendly home and enjoy visits from furry friends, they bring delight and companionship to residents. We encourage our residents to pursue their interests be it in painting or art therapy, playing the piano or listening to music, tending to our gardens and plants, or enjoying Virtual or Augmented Reality experiences that support cognition and reminiscence.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
