

ALCOHOL POLICY

- Residents are able to have alcoholic drinks either with their meals or at other times with permission from the Registered Nurse.
- Alcoholic beverages are NOT to be kept in the resident's room except at the discretion of the Director of Care.
- Alcoholic beverages can be purchased through the nursing home and charged on an ad-hoc basis to the residents account or in some instances, included in their daily fees. Alternatively the relatives may supply the resident's needs.
- Nibbles and drinks are enjoyed during "Happy Hour" with the Diversional Therapists at least once monthly.
