MercyCare Wembley has grown over the years to meet the changing needs of residents and now offers a variety of accommodation options. 126 rooms are spread across four separate wings. Each have built-in wardrobes, over bed tables, specialised electric care beds, reverse cycle air conditioning/heating to ensure year round comfort and a centrally monitored response system. Rooms with private ensuites are equipped with energy efficient, movement sensing lights.

Rooms overlook courtyard gardens or meticulously maintained grounds. Enclosed outdoor areas offer the perfect location for fresh air, gentle exercise, quiet contemplation or friendly conversation. Each wing has large living spaces for those who prefer to relax indoors. The main atrium is naturally lit by large windows and high ceilings and hosts frequent communal lunches, dinners and birthday parties. Our onsite chef specially designs nutritious, home-style meals.
