Glenelg House Residential Care

- Glenelg House Residential Nursing Care Unit is a 30 bed home which provides high level care to aged and complex needs persons.
- It is Commonwealth funded and costs are based on Department of Health & Ageing Schedule of Resident Fees and Charges.
- Fees are assessed by Centrelink/DVA.
- This modern facility is set in pleasant surroundings with 24 hour onsite Registered Nursing staff providing complex care for a diverse mix of residents.
- All residents require an Aged Care Assessment.

Accommodation

Accommodation comprises 26 single rooms and 2 double rooms (suitable for couples) with ensuite. Each room provides high care support of:

- ~ High-low electric bed with pressure reduction mattress.
- ~ Electronic lift armchair.
- ~ Large screen television, internet & telephone access.

The communal areas comprise:

- Three dining rooms provide on-site prepared meals and cater for all diets.
- Three large rooms have Foxtel access.
- Two quiet lounges have views of the garden and hills.

- ~ Glenelg House encourages and supports new residents to maintain their social connectedness by continuing to attend their social groups and activities.
- ~ Staff can assist with organising transport to and from these events through the use of the community bus or volunteer support.
- ~ Residents are supported to entertain family and friends in the facility and access the quiet lounge for special occasions.
