

Wynyard Care Centre

About Us

Welcome to Synovum Care Group where our focus is always our residents, their family and friends. Making the Synovum Care choice provides you with:

- Confidence in the quality of care provided
- Assurance regarding safety and security
- Peace of mind that you are a valued part of our family
- Continuing opportunities to participate in all future decisions
- A guaranteed emphasis on wellness, lifestyle and independence

Wynyard Care Centre

Wynyard Care Centre is located in the coastal town of Wynyard North West Tasmania; boasting a large sunny courtyard, BBQ facilities, private dining room for our families to book, a large dining room for residents and a quiet area for residents, family and friends to spend quality time.

Employees at Wynyard Care Centre believe they are privileged to care for our residents. We welcome new residents and their wider network of family and friends as an important part of our team.

At Wynyard Care Centre we have single and twin share rooms. Our twin share rooms often occupied by couples who choose to move in together.

Why Choose Us?

Our difference is in our approach to understanding and accommodating each resident's story. A resident's story is a combination of their history, cultural background, family, their core beliefs and values, likes and dislikes as well as interests and hobbies. Residents stories are important to us to ensure we develop a care and lifestyle plan to improve our residents overall wellbeing and maintain their independence.

Our policy in regards to visiting hours is simple - you are welcome to visit at any time.
