Cardinal Stepinac Village

INFORMATION ABOUT OUR VILLAGE

Cardinal Stepinac Village mission is to provide a quality caring ministry for the ageing with dignity and respect, support for each other as an individual in the Catholic tradition for the Croatian-Australian community.

Enjoying Aged Care

CARDINAL STEPINAC VILLAGE

Cardinal Stepinac Village is a charitable entity dedicated to providing housing and care to the aged members of the Australian Croatian Community.

Our village is committed to the principles of Christian Catholic values as taught by Cardinal Stepinac (Croatian Martyr) and the need to value humanity, dignity and human life above all. The village comprises of Low Care, High Care and Self Care accommodation.

HIGH CARE

Nursing Home accommodation provides more intensive care and supervision for residents assessed as being in need of high level care.

We have spacious double rooms with:

- A high/low adjustable bed
- Bed linen, quilt, bath towels
- Lounge chair
- Air conditioning
- Telephone and antenna connection points
- Emergency call bell
- En-suites -fitted with support rails, shower chairs, hand held showers and emergency call bells.

Residents socialise in our lounge rooms and Activity areas in comfortable surroundings. Our staff treat Residents like residents in their own home and provide high quality care. Our Nursing Home Residents are cared for by Registered Nurses 24 hours a day. Doctors visit the Nursing Home on a regular basis.

Standard Room

Lounge Area

LOW CARE

Low care accommodation provides a home like environment with personal care and daily living activities for residents assessed as being in need of low level care.

Each room features:

- A high /low adjustable bed
- Lounge chair
- Built in wardrobe and bedside table
- Kitchenette
- Veranda
- Central heating
- En-suites - fitted with support rails, shower chairs, hand held showers and emergency call bells

Each building has a communal lounge with a TV and a communal telephone. The residents rooms are wired for private telephone and antenna points. Our facility also offers multiple areas for visitors and families to use including sitting areas, courtyards, village gardens, village hall and coffee shop.
