

# Welcome to **Lakes Entrance** Care Community

## **Discover why this could be your best move yet**

At Lakes Entrance Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the picturesque East Gippsland region, our warm and welcoming home enjoys the best the coast has to offer within easy reach of the waterways, shops, cafes and regional amenities. Our beautiful country gardens and well-appointed home with wrap around patio offer spacious indoor and outdoor living areas, ideal for spending time with loved ones or enjoying the tranquility of our water fountain. We're animal friendly and many residents bring their pets to live with them here.

## Daily life

Be it daily walks through our quaint gardens, or friendly competition at the pool table, our residents enjoy being active and social. Our keen gardeners enjoy tending plants and growing herbs, and pets make wonderful companions who bring our residents comfort and joy. Our bar is popular at happy hour and musical entertainment is always welcomed.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
