At Sale Gardens Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Situated near the expansive Gippsland Lakes network, we are ideally located in a leafy, peaceful setting near to the bustling regional centre. Our warm and gracious home is nestled among beautiful landscaped gardens, with sunny and shaded sitting areas ideal for catching up with family and friends or enjoying moments of quiet reflection. Daily life

Sharing cultural heritage through food and activities is important to our residents, and our menus are chosen together by our residents and chef. Residents are regular participants in the Sale Agricultural Show, sharing their cooking and crafting skills, and we're well-known in the community for our annual garden show which is also popular. Our resident green thumbs who enjoy tending our flower and vegie gardens, and others enjoy playing or listening to our beautiful organ.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
