

## Queens Park

**Whatever your background, you'll feel right at home at Dousta Galla Queens Park**

Our residents come from all walks of life, with a variety of interests. We have been part of the community since 1999, fostering local connections to create a strong sense of belonging for both residents and staff in our aged care residence.

Doutta Galla Queens Park has 45 spacious rooms, each with a private ensuite bathroom. Situated opposite Queens Park Lake, residents adore this soothing and peaceful setting.

**We can't wait to say welcome to you.**

Our residence is a short walk from Puckle Street. The staff, residents, families and volunteers are proud of the homelike atmosphere they create together. There is always something going on – a busy lifestyle program keeps everyone active and socially connected.

The local swimming pool, recreation centre, racecourse, theatre, park and library are all nearby so residents can continue to enjoy their own hobbies and activities.

Queens Park has a group of dedicated volunteers and some have been with us for more than 13 years. They support individual residents and facilitate activities and workshops. Our famous pop-up cafe called “Café on Queens” was started by volunteers and is a weekly highlight.

For the artists in the group who like to create their very own masterpieces we have a weekly art group run by skilled and dedicated volunteers.

## Our rooms

Residents share bright and social indoor and outdoor living areas for social activities and gatherings. Douтта Galla Queens Park is an aged care residence in Moonee Ponds for people who love their local community and want to maintain their usual habits and hobbies.

There are also retirement living apartments located on the same grounds as the residence.

*We're with you*
