## WHAT'S ON THE MENU?

Enjoying a variety of delicious, nutritionally balanced meals is not only an important part of maintaining good health, it's an important part of your day.

Our kitchen team provides fresh meals that are prepared at our home and served straight to you. We consult with dietitians and speech pathologists to support our residents' clinical care without compromising on taste.

We offer a choice of hot and cold meals, cater for clinical dietary requirements, allergies, and cultural requirements, and of course, special requests to mark celebrations.

## HOW MUCH DOES IT COST?

The cost of aged care is dependent on your circumstances and is different for everyone. The Government pays a supplement for residents who are assessed as eligible through a combined means and assets test; depending on your circumstances, the Government may pay all, part or none of your care and accommodation costs.

You can find an explanation of the fees and your payment options on our website or ask our staff for fee and payment information. We will be happy to go through them with you and answer any questions you have.

## HOW DO I APPLY?

Before you apply to live at Vaocluse, you will need to be assessed as eligible for residential aged care by an Aged Care Assessment Team, or ACAT. ACAT Assessments are free and your doctor, health centre or local hospital can refer you to an ACAT near you. Please keep a copy of your assessment as you will need to give it to our Director of Nursing before you can move in.

Once you are ready to apply, there are a number of forms that you will need to complete. Our staff are available to sit down with you and guide you through the application process if you like. Please feel free to ask us questions at any time.

## Moving and **SETTLING IN**

Moving into an aged care home involves a lot of change for you and your family, and our staff are committed to supporting you during this time.

Your room will be furnished for you, but we encourage you to bring personal belongings such as photographs, pictures and soft furnishings to help you feel at home. There are television sets that you can watch in our common rooms, but you are welcome to bring your own television or radio if you wish.

Having someone to talk to who is knowledgeable and compassionate can make all the difference. Our Director of Nursing is very approachable and is available to discuss your care or the care of your loved one with you at any time. We look forward to welcoming you to our home.
