

## Rembrandt Living

Rembrandt Living offers high quality, down-to-earth Social, Home Care, Residential (Rembrandt Court) and Respite Services that have been enjoyed by people of all cultures, not just the Dutch, for over 25 years.

The Rembrandt difference comes directly from our Dutch roots and values which we simply describe as "Gezellig". It means warm and welcoming. It is where people are friendly and use straightforward language and old fashioned manners. Everyone is known by their name and almost family-like.

We are proudly a small, not for profit provider with staff that are truly dedicated to the wellbeing of our residents and clients.

Rembrandt: The art of life - living a life that has a meaning and relevance, being happy.

In typical Rembrandt style, the people featured in this brochure are real – real clients, residents and staff. We thank them for their participation.

## Social Support

Our social program named “Uit en Thuis” (feeling at home while out visiting friends) is a social group that comes together regularly.

It provides an opportunity to enjoy conversation and meaningful activities with others.

A morning at Uit en Thuis will include fun, friendship, laughter, games and good food. We have Uit en Thuis groups that meet in Oaklands Park, Green Fields Victor Harbor, Mount Gambier, Whyalla and Bridgewater.

## Respite Care

Everyone needs to take time out to care for themselves; to rest, relax and rejuvenate.

We can help you take this time by caring for your loved one in your home or our safe, comfortable and well-appointed aged care residences. This could be for a few hours, for a week, or a one-off longer stay.

## Residential Care

The moment you walk into our home you will feel at home. Our home is exactly that – a home! Not a hotel or lodge, our home is designed specifically to be reminiscent of what our resident’s home would have looked like in the community.

Rembrandt Court is conveniently nestled away off Morphett Road in Oaklands Park in Adelaide’s inner southern suburbs.

Our home is proudly small – with only 84 permanent residents and 3 respite rooms, we take the time to treat each person like the individual they are.

We pride ourselves on delivering a high level of specialised and professional multi-disciplinary care.
