The Southern Cross Care difference

Southern Cross Care's name is known and trusted throughout NSW & the ACT where we've been a part of the community for nearly 50 years. As a not-for-profit organisation, we don't have shareholders, big salaries or big overheads, so we can put the money we're given back into providing services for our clients. That means you get better value for money and better services.

We offer a full spectrum of integrated services to provide you with options, choice and support for how you choose to live your life, today and tomorrow. Whether it's discovering a retirement community lifestyle, tapping into help at home, improving your health, exploring ways to boost your independence and social connections, or selecting comfortable, supportive care in one of our Residential Aged Care Homes, you have peace of mind knowing that whatever your needs may be, you have a relationship with a provider that has it covered.

We believe that individuality is one of the greatest gifts of being human. Our 'customer at the heart' philosophy means that your happiness and wellbeing are our priority. We celebrate and respect diversity and welcome all, regardless of faith, ethnicity, sexual orientation, gender identity and lifestyle choices. We recognise you as a whole person and support your physical, emotional, intellectual, social, and spiritual wellbeing. Everything we do is tailored to enhance your quality of life and enable you to live life on your terms.

What to do next

Just call us or contact us online. We can talk with you and your family to understand your needs, answer any questions that you might have and take you on a tour of the home you're interested in.

We can also help guide you through the process and paperwork associated with applying for subsidised funding including getting an Aged Care Assessment.

Moving into a Residential Aged Care Home is a big decision and we recommend that you also seek independent financial and legal advice before entering into any agreement.
