

Welcome to **Bathurst Riverview** Care Community

Discover why this could be your best move yet

At Bathurst Riverview Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Opened in 2019, our modern country resort-style home offers beautifully designed living spaces and carefully crafted rooms. Located near the Bathurst town centre, we enjoy sweeping views over the Macquarie River. Community is at the heart of our home, and our farmyard, bowling green and children's play area are welcoming places for residents, family and friends to enjoy time together throughout the seasons.

Our brand new state-of-the-art wellness centre enables residents to benefit from a holistic approach to wellbeing, reablement and restorative care in a welcoming environment.

Daily life

Our residents enjoy looking after our poddy goats and silky chickens in our farmyard, which enables reminiscence and ways for residents to keep participating in things they've done all their lives. Our garden is well tended by our resident green thumbs, who harvest the produce for our chef to take from paddock to plate. Community connections are important to us and our faith-based visitors, kindergarten and retirement village neighbours are a special part of our Bathurst Riverview family. Our new Wellness Centre has become a social hub full of activity and motivation.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
