

Welcome to **Melville Parkside** Care Community

Discover why this could be your best move yet

At Melville Parkside Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the beautiful suburb of Myaree, our home is in a quiet residential setting with easy access to all the shops, cafes and amenities of the Fremantle region. Neighbouring parklands and the bird lake of Marmion Reserve are our doorstep. Our small and intimate home is well established in the community and residents enjoy strong local connections. With well-appointed living areas and spacious suites with kitchenette, we offer a homely and inclusive environment. Our central courtyard features a tranquil fish pond, a lovely sheltered area to relax with loved ones, ideal for socialising or moments of quiet reflection.

Daily life

Our beautiful rose gardens and pond with giant goldfish are popular with residents. Known for our delicious, fresh-cooked meals, our chef and residents plan menus together. Our mens club brew their own beer and enjoy visiting the local brewery. We often socialise with our neighbours at Alfred Cove Care Community, a short walk away. We're pet friendly and welcome animals of all description, including Blackjack the Clydesdale who is much loved by all.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
