

Welcome to **Bunbury Gardens** Care Community

Discover why this could be your best move yet

At Bunbury Gardens Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the heart of WA’s south-western coastal region, our welcoming and light-filled home features landscaped outdoor living areas and farmyard gardens designed for stimulation and reminiscence. Our home has a warm community feel, with many residents having lived and worked in the local region for decades. Our temperate climate is perfect for spending time outdoors socialising or enjoying moments of quiet reflection.

Ageing is living

Experience the Opal HealthCare difference at Bunbury Gardens

Daily life

Our interactive farmyard gardens are part of the heart of our home. Residents care for our chickens and enjoy collecting eggs for our chef to cook up for breakfast. Our resident green thumbs tend to our herb and vegetable gardens and take pride in harvesting fresh produce for eating. We have a dedicated wellness area for one-on-one restorative care and support for residents wanting to achieve personal goals. Our companion model of care fosters a sense of family and belonging among residents.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
