Creating Communities

BINDAREE CARE CENTRE

Welcome

Sundale Bindaree Care Centre, a haven for elders to enjoy greater health and happiness in their precious time with us.

Situated in the mild, year round warmth, of Boyne Island, Bindaree is perched near the vast Boyne River and the endless beaches of Tannum Sands. Sundale Bindaree offers 24/7 residential care for permanent as well as respite care.

Our focus is to ensure your comfort and needs are met while preserving individuality and independence.

Sundale would like to thank and acknowledge our volunteer friends of Bindaree

Frequently Asked Questions

How much does it cost?

Fees are modest and based on your needs, individual financial situation and government entitlements. Our carers will be happy to talk through these with you at your convenience.

What are the rooms like?

The rooms are bright and airy with access to outside. Glass doors lead to an outdoor area which overlooks the garden. The room is able to be furnished and decorated to make it home, with space for your own television, desk, bedside table, fridge and additional visitors chairs (inside and outside).

What is the food like?

All dietary requirements are catered for and we celebrate variety. Meals are prepared on site and we always strive for nutritious and delicious.

Do you have ageing in place?

In most cases, yes. As your care needs increase, so will the level of care we provide and we can accommodate most requests for ageing in place. Concerns regarding increased care levels are discussed with the resident and family members.

About Sundale

Not for profit. All for the community

Sundale is a not for profit organisation and the Sunshine Coast's largest provider of aged care and retirement services. We manage our finances carefully and all surplus is reinvested into better care, better facilities, better lifestyle options and training for our people to better care for our elders. While many private companies care for profit, our profit goes to care.

Sundale was born and nurtured here on the Sunshine Coast. The selfless enthusiasm of the Nambour Apex Club raised the funds to lay the first brick in our first care centre in 1963. For over five decades Sundale has matured to be respected, relied upon and valued by the community - just like the elders we serve.

How to Access Sundale Care Centres

(Government means tested - contributory costs may apply depending on your personal financial circumstance)

1. Go to www.myagedcare.gov.au to seek information on government subsidised services.
2. Call the My Age Care hotline on 1800 200 422 – the contact centre employees will ask you a range of questions to gain an understanding of your care needs.
3. The contact centre may arrange a face-to-face assessment of your needs to be conducted in your own home by a trained assessor.
4. The contact centre or assessor may then refer you for aged care services - you can then state Sundale as your preferred provider.
5. If you need assistance registering with My Aged Care please contact our Concierge team who will be happy assist you in this process - 1800 SUNDAL (1 800 786 3253).
