

Welcome to **Bairnsdale Parklands** Care Community

Discover why this could be your best move yet

At Bairnsdale Parklands Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our home is located in scenic East Gippsland with easy access to the Bairnsdale town centre and all the delights of the region on our doorstep. Set among rambling parklands, we’re spoilt for choice with many beautiful spots in our country gardens for staying active, socialising with family and friends or enjoying moments of quiet reflection. Our well-appointed living spaces are filled with light and all the comforts of home. We’re known for our expert care and warm and inviting country hospitality.

Daily life

Our gardens are popular with residents who enjoy spending time outdoors admiring the different varieties of plants, growing fresh herbs for cooking, or taking daily walks. Music is part of the heart of our home and out organ is popular for playing and singing along to tunes new and old. We encourage residents to pursue their interests be it painting, crafting or enjoying Virtual or Augmented Reality experiences that support cognition and reminiscence.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
