Daily life

We're a happy and sociable community of people so occasions like BBQs on our alfresco terrace and happy hours by the piano are part of the rhythm of our home. Regular Coffee Club sessions give residents opportunities to connect and enjoy each other's company.

We are known in the community for our spectacular tropical fish tank which is much loved by residents and families alike.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
