

Welcome to **Quakers Hillside** Care Community

Discover why this could be your best move yet

At Quakers Hillside Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Centrally located in Sydney’s Hills District, Quakers Hillside is close to local shopping precincts, clubs and community groups. An open design, with large windows that frame the view of leafy landscaped courtyards is a feature of our home. We have plenty of well-appointed living spaces, indoors and outdoors, to catch up with friends and family or enjoy quiet moments of reflection. Our function room is a popular among loved ones for celebrating birthdays and special occasions. Our memory care neighbourhood provides a safe and inclusive environment for residents who are living with dementia

Ageing is living

Daily life

With close ties to our local community, many residents contribute to local charities through our long-standing knitting, gardening and men's groups. The diverse cultural backgrounds of our residents and team are part of the heart of our home. Our chef is passionate about connecting food and culture and her decadent baklava is a favourite for morning tea. Regular connections with local school children are a wonderful way to nurture friendships and provide laughter and learning for everyone.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way..
