

Welcome to **Chiswick Manor** Care Community

Discover why this could be your best move yet

At Chiswick Manor Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our beautifully appointed home is set in a quiet location by the Parramatta River, not far from Abbotsford Bay, where we enjoy the benefits of gentle sea breezes. Our landscaped courtyards and covered terrace provide tranquil spaces to spend time with family and friends, or moments of quiet reflection. We are a warm and welcoming home, known for our thriving community of Italian residents who enjoy sharing their culture, and our annual Art Show & Auction, where residents work with our art therapist to create original paintings to sell and raise money for charity.

Daily life

Whether it's enjoying a book from our terrace library, preparing for our fortnightly cook-off challenge or watching films in our theatrette, there's plenty to do here. We're proud of our signature art-based cognitive therapy program, and our Italian residents who teach our team to speak Italian. We have strong ties to our local community, including monthly get togethers with our young friends from the nearby kindergarten, and we raise thousands of dollars for charity each year at our Annual Art Auction.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
