

Welcome to **Springwood Terrace** Care Community

Discover why this could be your best move yet

At Springwood Terrace Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the Logan community, just 20km south of Brisbane CBD, our home is spacious and modern, with landscaped courtyard areas and generous lounge areas ideal for catching up with family and friends or enjoying moments of quiet reflection. Residents like to stay active at our onsite wellness centre, where a team of physiotherapists, exercise physiologists and occupational therapists support residents to achieve improved mobility, independence or overall wellbeing, all in the comfort of home. Our memory care neighbourhood offers memory supports and a sensory garden, providing a safe and inclusive environment for people who are living with dementia.

Ageing is living

Experience the Opal HealthCare difference at Springwood Terrace

Daily life

Our home tends to be filled with music and laughter, as our many music enthusiasts enjoy singing or playing instruments, including our grand piano. Our team members' pets are regular visitors and provide delight and companionship to our residents. Our chef regularly fires up the BBQ so that everyone can enjoy lunch, good food and sunshine in the company of friends. We nurture connections in the local community including with local schools.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
