The following provides a general overview of the services named in the pricelist above

**The following provides a general overview of the services named in the pricelist above.**

**General Services** includes personal care, domestic assistance, in-home respite/carer's support, transport to appointments and one-on-one social support.

**Social Hubs** are offered at several locations across Hobart. Hubs are designed to provide options for you to interact with others socially, as well as offer a place for learning and activities. All activities and events are planned by the people who attend, so what you get out of your social hub is entirely up to you.

**Ageing Backwards movement program's** ethos towards exercise, is to build strength in our daily movement patterns, all whilst having fun and learning that exercise is easy to make part of our daily life. Please don't think you are not fit enough to join in with us. Everyone is welcome and everyone will walk away with a feeling of accomplishment.

**Home Maintenance (Handyman)** services cover a wide range of small repair and maintenance tasks in the home including repairing or replacing of taps and washers, minor repair of doors, furniture and walls, installation of smoke alarms and key safes. If you have a task that requires a handyman, this service is for you.

**Travel in support worker vehicle** includes any travel in a support worker vehicle or on the client's behalf. This may be for shopping trips, travel to appointments, social visits with friends and family, or travel to community events and activities.

**Spring cleaning** is exactly as you would imagine. It includes the bigger jobs that are done on an occasional basis, such as cleaning the oven, cleaning your windows inside and out, clearing gutters, dusting high surfaces, cleaning under and around large pieces of furniture etc...

**Occupational Therapy** is an allied health profession that tries to help you bridge the gap between what you can do and what you want to be able to do. They can help with equipment, home modifications, skills training or developing adaptive techniques.

**Sleepover 10pm – 6am (sleeping shift)\*** This service is provided as a sleeping shift, usually on the basis that the person needing the support requires someone to be available 'just in case'. An hourly rate will apply where disturbances occur.

**Overnight support (awake shift)\*** Hourly rates apply.

**After hours callout fee** will be charged for calls from clients to rearrange/request services. This fee is charged on top of the applicable hourly rate of services provided and is used to cover the administration costs associated with arranging the visit / change outside of normal business hours.

**Other services and products** CBS can arrange other services on your behalf such as gardening or home adjustments including bathroom remodeling, ramps and rails, assistive equipment or products. Please discuss your service needs with us.
