Care Management

Care Management is a service that provides you with the advice and planning needed to stay at home for as long as possible. At Dulcie Home Care you have a Support Partner who will work with you to develop your Care Plan and budget and ensure this aligns to your goals. Your Support Partner will check in regularly and review your plan with you if your needs change. Dulcie Home Care provides you and your support network with an online portal and App where you can find and schedule some services, view your support plan, statements and tools and education to help you be successful in Self Managing your Home Care Package.
