

Support at Home – Pricing schedule

SAH - 1 November 2025

Under the Support at Home program, we offer a wide range of quality nursing, allied health, personal care and support services to help people live positively and improve their health, well-being and independence.

We offer Clinical, Independence and Everyday Living services based on your needs, your assessed eligibility and budget.

Contribution Rates

Your contribution rate is determined by the Government (Services Australia). It is based on the type of service you wish to receive, your pension status as well as your income and asset assessment. You will need to pay contributions at your assessed rate for services received from the Everyday Living and Independence categories. You do not need to pay any contribution towards services received from the Clinical category.

Care Management

Under the Support at Home program, you will work with a dedicated Care Partner to create a care plan based on your needs, goals and interests. They'll get to know what's important to you, help you choose your services, consult with your supporter (if you wish), and update your budget as needed. They'll check in with you regularly to make sure your care plan is meeting your needs. For ongoing services, the Australian Government automatically sets aside 10% of your quarterly budget. For end of life and restorative care the below prices will apply for care management activities.

Care Management	Hourly Rate
• Ongoing services	\$120
• Restorative care	\$160
• End of Life	\$160

Assistive Technology and Home Modifications

We can help organise equipment, assistive technology and home modifications to support your comfort and safety at home. We charge administration fees to cover the cost of assistive technology activities such as liaising with suppliers and arranging product delivery. This fee is calculated at 10% of the total cost of the item (or bundle), capped at \$500 (whichever is lower). To cover the costs of home modification activities, we charge a coordination fee equal to 15% of the total quoted home modification costs capped at \$1,500 (whichever is lower). Regardless of your assistive technology and home modification needs, our expert team of Care Partners will ensure a smooth and coordinated experience and will work with you to confirm and agree prices before purchasing.
