

# Holistic care that's all about *you*

## Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

### Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

## Lifestyle

Mountain View Aged Care Centre offers a supportive lifestyle in a comfortable setting, located close to the Canberra city centre. Our spacious, single-storey home has a range of single rooms with private ensuites and sliding glass doors to easily access our beautiful gardens. There are many outdoor seating areas where our residents can enjoy our gardens, tranquil fishpond and surrounding natural views.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Mountain View Aged Care Centre.
