

# Services and Pricing - Support at Home

The Salvation Army has been caring for Australians since 1880. As part of this legacy, Salvos Home Care (“SHC”) offers a range of services to help older Australians live independently in their own homes and stay connected to their communities. Here’s a guide to our Support at Home services and pricing, effective 1 November 2025.

## Clinical

Specialised services to maintain or regain functional and/or cognitive capabilities. Services must be delivered directly, or be supervised, by university qualified or accredited health professionals trained in the use of evidence-based prevention, diagnosis, treatment and management practices to deliver safe and quality care to older people.

### Note:

This price list outlines the types of services that are offered by Salvos Home Care (SHC) under the Support at Home Program. Prices are subject to change. Details of what services can be funded under the Commonwealth Support at Home Program can be found in the service list - <https://www.health.gov.au/resources/publications/support-at-home-service-list>

Services are provided by SHC qualified staff or approved associated providers under formal service agreements to ensure quality, consistency, and compliance with Support at Home guidelines.

The prices are for services delivered during standard business hours. Services delivered outside of standard business hours attract a penalty loading as shown.

Where you do not have sufficient government funds to pay for the Services you wish to receive as part of your Support Plan, you can pay for these excess Services out-of-your own pocket as Self-funded Services. The applicable fees are set out as per our current price list or as otherwise agreed.

**Cancellations made without at least two business days notice will be subject to the complete service charge.**

- a. The prices are expressed on a 'per unit basis' for each service in accordance with the Support at Home guidelines:
  - The unit price for the service is the price that is charged for each billable unit of service that is delivered
  - The billable unit is predominantly time based except for transport where the billable unit is 1 trip and for meal delivery, the billable unit is per meal delivered
  - For time-based services, the minimum service duration is 1 hour unless stated otherwise, with 15mins Incremental
- b. Allied health and other therapeutic services have separate unit prices for Indirect or Direct activities:
  - Indirect activities – coordination/case management, service planning, report writing and documentation.
  - Direct activities - face-to-face visits in the home, at the clinic or telehealth appointments
- c. Transport services relate directly to your assessed care needs and goals can be Included In your package. Transport support can include assisted travel with a care worker with car or just a travel voucher. The cost is additional to the specific scheduled services.
- d. For items on the Assistive Technology and Home Modifications Scheme List if require prescription by Allied Health professionals will be aligned to the Allied Health pricing on this price list.
- e. Home Maintenance & Repairs are essential minor repairs and maintenance where the activity is something the person used to be able to do themselves or where required to maintain safety (e.g., replace lightbulbs and repair broken door handles).
- f. To receive meal delivery under Support at Home program, the participant must be assessed by My Aged Care. The meals are pre-made and delivered meals by qualified providers to meet specific dietary requirements, monitoring the nutrition of older adults, and offering flexible delivery options to meet diverse needs and circumstances. Providers can then supply meals, with the cost of preparation and delivery typically covered by your package (~70%), while you pay for the food ingredients (~30%).
