

Welcome to **North Lakes Terrace** Care Community

Discover why this could be your best move yet

At North Lakes Terrace Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the heart of the North Lakes Health Precinct, our home enjoys the very best that the Moreton Bay community has to offer, including specialist healthcare, extensive shopping destinations and thriving community clubs. Our home is modern yet homely, elegant and full of life. Expert clinical care is complemented by a lifestyle where residents can socialise with friends and family at our onsite café, enjoy being pampered in our beauty salon, or soak up the sweeping district views from one of our many terraced balconies.

Daily life

Our raised garden beds are popular with residents who like to spend time outdoors admiring the different varieties of plants, and keen gardeners who enjoy growing fresh herbs for cooking. Our chef cooks up the fresh produce in delicious and hearty home-style meals. Outings to nearby Lake Eden and the Redcliffe foreshore are popular, as is maintaining connections with children at the local kindergarten.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
