About Mercy Health

Call now to book a personal tour of Mercy Place Wyndham.

The modern story of Mercy Health began with the founding of the Order of the Sisters of Mercy in Dublin in 1831 by Catherine McAuley, who dedicated her life to serving people in need.

The Sisters of Mercy went on to found convents, schools and hospitals across the globe. They arrived in Australia in 1846, led by Mother Ursula Frayne.

Following a devastating influenza pandemic, the Sisters of Mercy opened their first Victorian hospital — St Benedict's in Malvern — in 1920.

As Mercy Health, they established a reputation for excellence in care and hospitality that has grown in strength to this day.

A leading Catholic provider of health, aged and community services, our history and future is based on responding to the most significant needs of the time.

We employ and care for people of all faiths and no faith. Our people come from many cultures and backgrounds but share a common goal: to provide compassionate and responsive care to people in need.
