Care Community

## Discover why this could be your best move yet

At Templestowe Woodlands Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located near Westerfolds Park and the Yarra River, Templestowe Woodlands Care Community offers a warm and peaceful environment.

Our Care Community features modern open-plan living spaces across three levels, including a spacious dining room and main lounge with a fireplace, ideal for cosy winter days. For quieter moments, we have two smaller lounges where our residents can relax with friends and a cuppa.

Our billiards room and bar are popular with residents and families, as are our self-serve kitchenettes and well-stocked library. Our hairdressing salon is ideal for a pamper so you can look and feel your best.

Take a stroll through our landscaped courtyards or dine alfresco in the sunshine. You'll find ample opportunities to connect, relax and thrive with us.

We support you to develop connections and friendships with others who share similar interests, and families are always welcome.

Templestowe Woodlands Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

**Our purpose is to *bring joy to those we care for.***
