Package Management Fees:

Package management is the ongoing administration and organisational activities associated with ensuring the smooth delivery and management of your Home Care Package. It may include the costs for: preparing monthly statements; managing your package funds; and compliance and quality assurance activities required for Home Care Packages, staff checks, government audit and training. It does not include costs that are unrelated to supporting your care, nor costs associated with the provider’s running of their business such as marketing, office rent, insurance, or activities completed before you enter into a Home Care Agreement with them.

Care Management Fees :

This is for the assessment, planning, facilitation, care coordination, evaluation of your services and support. Your dedicated Care co-ordinator will work with you to plan your care and help you use your package in the best way possible. Reviewing your Home Care Agreement (an Agreement between you, and your provider, detailing the services you will access) and Care Plan (a Plan designed by you and your provider to ensure the services you access help you achieve your goals). Coordination and scheduling of services ensuring your care is aligned with other supports. Providing a point-of-contact for you or your support network. Ensuring the care, you receive is respectful of your culture; & Identifying and addressing risks to your safety.

Care management may be provided in different ways including face-to-face or via phone or email.
