

ABOUT US

Southern Cross Care (WA) Inc. was established in 1966 as Southern Cross Homes. It has now developed into one of the largest and leading care providers in WA offering support and accommodation to 3,000 Western Australians in metropolitan, regional and remote areas.

We own or operate:

- 10 residential aged care facilities
- 9 retirement villages
- A wide range of home care services
- Services to those with a mental illness
- 6 day/overnight respite centres
- 3 community options houses (mental health program)
- A consultancy/management service

Southern Cross Care is also a Registered Growth Provider with the Department of Housing, Government of Western Australia.

Southern Cross Care
Who We Are

live life your way

SENIORS HOUSING

Retirement Living

Southern Cross Care offers a suite of independent living options in a range of locations to suit all budgets. We plan, design and build villages to create a community feel, all with a variety of services, activities and social options available. Our villages are conveniently located close to shops, clubs, transport and other community services and facilities.

For more information on our range of retirement units currently for sale please contact Sales Consultant Alan Legge on freecall 1800 777 796 or visit www.scrosswa.org.au

Affordable and Community Housing

Southern Cross Housing Ltd (SCH) is a not for profit community housing provider. Our housing portfolio offers supportive, rental housing for seniors, people with disabilities and individuals with a persistent mental health disorder. As a registered Growth Provider, SCH is working in partnership with the Department of Housing to provide homes for those who are on fixed, low and middle incomes and have been registered on the Department of Housing's waitlist.

RESIDENTIAL CARE SERVICES

Residential Aged Care

Residential care services provide accommodation and support for people who can no longer live at home, either permanently or temporarily. With facilities catering for low care, high care, dementia care, or mental health needs we have a range of facilities to meet our residents' requirements. We own or manage sites in the Perth metropolitan area, Broome, Kalgoorlie, Collie and Harvey.

MENTAL HEALTH SERVICES

Community Options Program

Providing a community-style living arrangement for a targeted group of people with mental illness, the Community Options Program offers a real alternative to long-term hospitalisation by creating a home-like environment in which high levels of support and engagement are provided.

HOME CARE

Care and Support in Your Home

Southern Cross Care enables thousands of people to remain living independently in the community throughout Perth, Broome, the South West, the Pilbara and the Kimberley. We provide a variety of programs to support older West Australians, those with disabilities and those with mental health conditions. We also provide a range of supports for carers.

Some of the many home care services we can provide include:

- Personal care
- Meal preparation
- Domestic assistance
- Packaged care
- Respite
- Social support
- Case management
- Dementia support
