

HOME CARE PRICING SCHEDULE Carer's Network Ballarat

Pricing Schedule Last Updated on 17/07/2025

This Schedule provides information on the price for common services you can access through a Home Care Package. The costs will be deducted from your overall package budget. There are many other services you can access through a Home Care Package that are not listed below. This may include allied health services, home maintenance, aids or equipment which may form part of your Care Plan. Services delivered as part of your Care Plan are GST-free. Costs relating to exit amounts are not GST-free. For further information, please see the provider's full price list or contact the home care provider (details included below).

Provider Information about Service Delivery and Pricing

We are a privately owned company who pride ourselves on our staff, chosen because they are passionate about providing our clients with professional, courteous in-home support in a secure environment. Our carers are fully trained, qualified and will build trust and make positive contributions to the lives of our clients. We are a family friendly organisation and believe whole heartedly that we are big enough to help you yet small enough to care. Our Case Manager will work with you to help plan the services you need. We provide a wide variety of Home Care Services to enable you to live happily in your own home with privacy and security supported by carers helping with your daily living needs. All staff undertake a rigorous recruitment and screening process including mandatory police checks. Carer's Network is sensitive to the special needs of our clients and takes on board all cultural and linguistic differences and where possible, recruits to accommodate client's specific requirements.

Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

Approach to care management		Care Management will be delivered by a dedicated Case Manager who will meet with you in your home to discuss and plan your care needs. Your care plan is specifically designed to meet your needs including personal care, domestic assistance, shopping and medical appointments. Your Care Manager provides a point of contact, ensuring the co-ordination and scheduling of services through our Service Support team who also provide after hours phone support to help you with any questions. Care Management is needed to ensure that you have independence, choice and control with access to services and supports which are personal, safe and effective in enabling you to stay happily in your home.
