

Enhanced Living in residential aged care

# Maculata Place, our community home

**Maculata Place is located minutes from the Goulburn Valley Public Hospital and Shepparton Private Hospital, the main shopping area and services.**

Two-storey state-of-the-art residential care home featuring magnificent gardens and outdoor areas, plus four internal courtyards, providing ample choice for resident activities and outdoor living.

The facility was built to complement the new model of care at Shepparton Villages, centered on resident choice.

**More than a place,  
a community**

**Shepparton Villages is a unique community-based organisation that started as a dream in 1963 through the Rotary Club of Shepparton. A leader in aged care, we are one of the largest local employers.**

Our commitment to providing quality care and services, and affordable facilities reflects our dedication to supporting the elderly in our community. Support and choice to live well on your own terms is at the heart of everything we do.
