Government Income Tested Care Fee: The Income Tested Care Fee is a contribution that some people pay, determined by an income assessment performed by the Commonwealth Government. This fee is different for everyone. It's based on your individual income, including your pension. The government requires all providers to invoice for, and collect the Income Tested Care Fee. To find out if you are subject to an Income Test Fee please refer to the following website for more information: www.myagedcare.gov.au/home-care-package-costs-and-fees#income-tested-fee Please note that rates and fees may be updated periodically to reflect changes in the costs of delivering services. You will be given reasonable notice of any changes to the rates and fees schedule.
