PARTICIPANT CONTRIBUTION RATES

From 1 November 2025, participants in the Support at Home program will contribute to some services, while others remain free. How much you pay depends on your income, assets, and the type of service. Your contribution will be worked out through an income and asset assessment, similar to the Age Pension means test. Age Pensioners and Commonwealth Seniors Health Card holders will pay lower rates, and the government will cover the rest. The table below shows what you can expect to pay for each service type.

Age Pension Status	Clinical support	Independence	Everyday Living
Full pensioner	0%	5%	17.5%
Part pensioner	0%	Between 5% and 50% (depending on income and assets)	Between 17.5% and 80% (depending on income and assets)
Self-funded retiree	0%	50%	80%
