

Your Care, Your Way

This service aims to support participants in staying safely and independently in their homes for as long as possible. Care is personalized and coordinated with the participant, their family, or advocate to meet evolving needs and goals. Support includes:

- **Clinical supports:** Access to Nursing care, occupational therapy/physiotherapy services.
- **Independence:** Access to services such as personal care, social support, respite care, community engagement and transport.
- **Everyday living:** Access to services such as domestic assistance, home maintenance and repairs and meals.

OTHER FEES

Care Management Fee

Care management charges for a set of activities that contribute to the overall safety, wellbeing, health and quality of life of an older person. Support at Home participants, who receive ongoing services, will have 10% deducted from their quarterly budget.

Activities may include a needs assessment, care planning, service planning and management, development, review and evaluation of quarterly budgets, providing education, monitoring services, collaboration with your key health services and family, regular contact and visits and a dedicated team of experienced professionals to ensure you can stay in your home safely.

\$120.00
10% quarterly budget

Third Party Services

In some instances, it may be necessary for QAADS to purchase goods or services from a third party such as Allied Health, Nursing, Home Modifications, Home Maintenance or the purchase of medical supplies and equipment. You will be provided with a **Quote** for these services for ***your consideration and approval.***
