# COMMUNITY SERVICES FEE SCHEDULE

## Effective 1st July to 31<sup>st</sup> October 2025

### HOME BASED SUPPORT SERVICES

Help at home looks different for different people. This may cover help with shopping and cooking or receiving personal care to bath, dress and get in and out of bed. It may also provide an opportunity for the usual carer to take a short break

### OUT OF HOME CARE SERVICES

Centre-based respite enables the consumer to talk and interact with other people during the day at a day centre or on a planned outing

### ALLIED HEALTH, ACTIVITIES AND SERVICES

- Centre based and delivered meals - provided through our Social Support Group monthly lunch program. Cost is for preparation and delivery component only. Full cost of meal is \$25
- Out of centre planned activity - provided through our Social Support Group monthly activities program
- Centre based planned exercise class - provided through our regular group exercise class programs including Strength & Balance and Men's Exercises
- Allied Health Services - Podiatry and Physiotherapy are provided by visiting service providers to HBNC. Community Exercise Provider can provide one on one support.
- Transport services are provided using one of the HBNC Vehicles and may enable access to services or activities in other towns
- Gardening and maintenance services can be arranged via a local sub contractor pending availability and location. Transport charges may be added.

**NOTE: All prices above are offered for within business hours services.  
Additional fees may be incurred for out of hours services.**
