## Other Fees Schedule

### Care Management

As a Support at Home participant you will have access to care management services in line with your assessed need including clinical oversight where required. 10% of your budgets is set aside and held by Services Australia for care planning, service coordination, budget management, monitoring review and evaluation and support and education. A care partner will work with you to deliver your care management.

### Cancellation Terms

It is your responsibility to notify BlueCare if you are not available for a scheduled visit. If you need to cancel an appointment, please let us know by 11am on the day before at the latest. If you cancel later than 11am the day before we will need to charge the full visit fee to the package, and any co-contributions as applicable, even if you do not receive a service. We understand, however, that there may be circumstances when you cannot contact us within this timeframe (for example following hospitalisation). Under these circumstances we would not charge you for a cancelled visit.

### Visit Times

Visit times, as per Services Australia rules, will be charged in 15 minute increments. Normal rounding rules will apply. For Social Support Group and Community and Centre Based Respite the minimum visit time will be three hours.

For Telehealth, Care Management and Indirect services, the minimum visit time will be 15 minutes. For all other services the minimum visit time is 30 minutes.

Nursing Short, Enrolled Nurse Short, Social Support Short and Personal Care Short apply to 30 minute visits for these services. Nursing, Enrolled Nurse, Social Support and Personal Care apply to visits 45 minutes or greater for these services.

### Centre Based Group Services

Social Support Group and Community and Centre Based Respite, when in a centre, will include a light meal. Transport to and from these centre based services is a separate service and will be charged separately.

### Quoted Services

Services indicated on the schedule 'as per quote', except Assistive Technology and Home Modifications, will be charged as per the invoice from the supplier, plus a 10% administration charge.

\*\* This represents the most frequent amount charged (common price)

### Additional Services Above Support at Home Funding

Clients will be able to purchase additional services outside of the approved Support at Home funding or remaining Home Care Package unspent funding. To request privately funded additional services, please speak with your Care Partner who would be able to provide further advice and an individualised quote.

### Meal Delivery

Meal Delivery charges, including a 10% administration charge, will be agreed at the time of ordering.
