

A place that's right  
**for you**

Welcome to  
**THE  
ORCHARDS**

Everyone who requires residential aged care is different. So our carers make sure that every resident is treated differently, depending on their individual needs. If the time has come for you or your loved one to consider residential care, talk to us. We'll make every effort to understand what *you* need.

## Welcome to the newest aged care community in Doncaster East

Having recently undergone a major expansion and transformation, Baptcare The Orchards Community represents a new chapter in the proud history of The Orchards site in Doncaster East.

### A place where you will feel at home

Baptcare's divisional manager aged care, Lindon Le Griffon, says The Orchards has been designed to create a true sense of community. "We want people coming in for the first time to immediately feel this is somewhere they would like to live, where they feel respected and comfortable."

The Orchards features a diverse range of shared areas for residents and visitors to enjoy together. There is a large outdoor terrace with spectacular views, internal landscaped courtyards, indoor 'winter garden' walkways on all levels, and light and bright dining rooms and lounges.

As a resident, you can make the most of the varied activities and events on our lifestyle program. You will also have access to allied health services, pastoral care, a chapel and a hairdressing salon – plus we provide full laundry services. And you will have a choice of tasty, healthy meals, prepared daily by a chef and in consultation with specialist dietitians.

You will be reassured to know that we provide around-the-clock care managed by senior registered nurses. There will be trained nurses on-site 24 hours a day, 7 days a week.

### Why choose Baptcare?

Providing the best possible care for older people is central to the Baptcare ethos. As a not-for-profit social enterprise, our vision is for communities where every person is cherished. And we've spent more than 70 years listening to and meeting the needs of older people – so you can be sure we will provide care in a way that's right for you.

## Make yourself at home

As a resident here, your room is your own space – so you can decorate it however you like. You can hang pictures on the wall, use your own quilt from home, and even bring in your favourite chair.

All rooms at Baptcare The Orchards Community offer:

- > A tasteful private room with ensuite bathroom
- > A lovely view – external, or internal to a landscaped courtyard
- > A large window
- > High-quality bedding and fittings
- > A flat-screen TV
- > An equipment ceiling track
- > Individually controlled air-conditioning and hydronic heating
- > A built-in wardrobe with a lockable drawer.

"I just love it here.  
We call this home,  
because it is our  
home."

SHIRLEY,  
BAPTCARE RESIDENT
