

## FEE SCHEDULE – COMMON SERVICES

### FEE SCHEDULE – EFFECTIVE 01/11/2025 to 30/06/2026

This fee schedule outlines the prices for common services available through your Transitioned HCP /**Home Care Packag**/. Transitioned HCP care recipients will continue to receive an equivalent level of funding (including supplements) as their previous Home Care Package. The previous annual package amount is divided into four to create a Support at Home quarterly budget.

All costs listed will be deducted from your overall package budget. Please note: This list covers only the most commonly used services. Additional services — such as **allied health, home maintenance, or aids and equipment** — may also be available as your Care Plan. All services delivered as part of your Care Plan are GST-free. For a complete list of services and pricing, or if you have any questions, please contact your Care Manager.

All services are charged **by the hour**, with a minimum of **2 hours** for the first service.

- After the initial service, charges apply in **30-minute** increments unless otherwise noted.
- Services directly delivered by Great Care are GST-free.
- Services arranged through a third party will incur a 10% GST.

Note: Service prices may be updated if delivery costs increase. You will always receive written notice before any changes take effect.

### Cancellations

A minimum of **24 hours'** notice is required to cancel a service. Cancellations made with less than 24 hours' notice will be charged at the full-service rate. This fee may be waived in emergency situations.
