LiveBetter Fees:

Care Management: If you receive ongoing services under Support at Home, 10% of your quarterly budget will be set aside by Services Australia and allocated for care management. Care management services will be delivered by your LiveBetter Care Partner and include developing and reviewing your care plan, coordinating your services, overseeing your budget, and responding to changes in your needs.

Contribution Rates:

Under Support at Home, participants will contribute to the cost of some services, while others will be fully funded by the government. These contributions are based on the type of service received and the participant's income and assets. Clinical support services are fully funded by the government, while independence and everyday living services may require a contribution.

	Clinical supports	Independence	Everyday living
Full pensioner	0%	5%	17.5%
Part pensioner	0%	Part pensioners and CSHC holders will pay between 5%-50% based on an assessment of their income and assets. For part pensioners this will be based on their Age Pension means assessment. CSHC holders will undergo a separate assessment for Support at Home.
